AMEND Senate Bill No. 3296*

House Bill No. 3450

By deleting the last sentence of subsection (a) in the amendatory Section 22 and by substituting instead the following:

"Welfare of the community" does not include solely a loss of property value to surrounding properties nor does it include the need for increased tax revenues. Under no circumstance shall land used predominantly in the production of agriculture, as defined by §1-3-105, be considered a blighted area.
